MEMORANDUM FOR

THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Soviet High-Energy Weapons

As a precautionary review, I intend to have a working group of the SCC meet to discuss both the likelihood and the possible implications of a breakthrough in Soviet high-energy weaponry for U. S. defense and foreign policy. In this connection, we will need your assessment of the Soviet efforts in the general area of high-energy weaponry.

The working group plans to meet at 3:00 p.m. on Thursday, May 5.

Zbigniew Brzezinski
